

GSM Marine Consulting is an expanding maritime service provider based in Germany with outposts in The Netherlands, Belgium, Spain and Portugal.

For nautical technical inspections and surveys of cargo loading, discharge and securing operations, we are currently hiring an experienced

Nautical Technical Surveyor (m/f/n)

with qualifications as Captain to Sea/ Chief Mate / Nautical Patent Holder

with excellent English skills, based in the area of Leixoes, Aveiro or Viana do Castelo.

Please send your application including CV to:

GSM MARINE CONSULTING GmbH & Co. KG

Attn.: Captain S. Degenhardt
